

General Information about Rollin Township and its Governing and Zoning Statutes

Rollin Township is one of 1,242 in the state of Michigan. General information about townships can be found at the Michigan Township Association's website listed below.

<http://www.michigantownships.org/mitownships.asp>

A "handbook" for township government is available from the Michigan Township Association.

Authorities and Responsibilities of Michigan Township Officials, Boards & Commissions

Known as MTA's "little red book," this primer for township board members and officials was completely revised in November 2000, with minor revisions made periodically. It includes statutory citations and incorporates recent legislation, court cases and attorney general opinions. Information is provided on terms of office, vacancy, recall, meeting notices, minutes, elections, ordinance publication, investments and tax collections, in addition to statutory duties of each elected official, and township boards and commissions.

Our township's specific Governing Ordinance, which includes the Zoning Ordinance, is published in books available at the township hall, or online at this link:

Ordinances often asked about by residents are outlined below, followed by a link to the actual ordinance.

Rollin Township has ordinances in effect concerning all types of construction. Please contact the appropriate inspector before remodeling or beginning any new construction. If construction or electrical work is started before proper approval and permits are obtained, you may be billed an additional fee.

An important governing ordinance requires each residence to display three inch or larger house numbers on the premise so they are visible from the road. This ordinance enables fire, police and rescue workers to identify all premises. Click on the link below, then choose Ordinance 24 for more details.

Lawns in residential districts must be kept mowed. Any lawn more than 10 inches in height may be mowed by the township with the cost of mowing added to your tax bill. This amount becomes a lien against the property. Click on the link below, then choose Ordinance 13 for more details.

Refuse must be removed on a regular basis. You can contract with one of the refuse collection agencies that serve the Township area or take your refuse to the Transfer Station on Rollin Highway. There is a fee for using the transfer station.
