

ORDINANCE NO. 3

SANITARY DRAIN ORDINANCE

AN ORDINANCE TO PROVIDE FOR THE OPERATION AND MAINTENANCE OF THOSE PORTIONS OF THE ROLLIN-WOODSTOCK SANITARY DRAIN CONSTRUCTED FOR THE BENEFIT OF THE TOWNSHIP OF ROLLIN ON A PUBLIC UTILITY BASIS UNDER THE PROVISIONS OF ACT 40, PUBLIC ACTS OF MICHIGAN, 1956, AS AMENDED, AND ACT 94, PUBLIC ACTS OF MICHIGAN, 1933, AS AMENDED.

THE TOWNSHIP OF ROLLIN ORDAINS:

SECTION 1. Public Utility Operation

It is hereby determined to be desirable and necessary, for the public health, safety and welfare of the Township of Rollin, that those portions of the Rollin-Woodstock sanitary drain constructed for the benefit of the Township of Rollin be operated by the Rollin-Woodstock Sanitary Drain Drainage Board on a public utility basis in accordance with the provisions of Act 40, Public Acts of Michigan, 1956, as amended, and Act 94, Public Acts of Michigan, 1933, as amended.

SECTION 2. Definitions

Whenever the words "the System" are referred to in this ordinance, they shall be understood to mean all of those portions of the complete Rollin-Woodstock sanitary drain constructed for the benefit of the Township of Rollin, including all sewers, pumps, lift stations, treatment facilities and all other facilities used or useful in the collection, treatment and disposal of domestic, commercial or industrial wastes, including all appurtenances thereto and including all extensions and improvements thereto which may hereafter be required.

Whenever the words "revenues" and "net revenues" are used in this ordinance, they shall be understood to have the meanings as defined in Section 3, Act 94, Public Acts of Michigan, as amended.

SECTION 3. Management of the System

The operations, maintenance, alteration, repair and management of the System shall be under the supervision and control of the Rollin-Woodstock Sanitary Drain Drainage Board. Said Board may employ such person or persons in such capacity or capacities as it deems advisable to carry on the efficient management and operation of the System, and may make such rules, orders and regulations as it deems advisable and necessary to assure the efficient management and operation of the System; provided, however, that the Township of Rollin shall fix and collect charges for use of the System.

SECTION 4. Rates

Rates to be charged for services furnished by the System shall be as follows:

A. Operation and Maintenance Charges

Sewer operation and maintenance charges to each single-family residential premises served by the System shall be in the flat amount of \$35.00 per year. Each premises other than a single-family residence shall pay a yearly charge of \$35.00, multiplied by a factor representing a ratio of sewage use by such class of premises to normal single-family residential sewage use. The Township shall adopt and revise from time to time a schedule of such single-family residence equivalents or ratios; provided, however, that the minimum yearly operation and maintenance charge to any premises shall be \$35.00.

B. Debt Service Charge

Sewer debt service charges to each single-family residential premises served by the System shall be in the flat amount of \$300.00 per year. Each premises other than a single-family residence shall pay a yearly charge of \$300.00 multiplied by the factor representing a ratio of sewage use by such class of premises to normal single-family residential sewage use, as specified above in connection with sewer operation and maintenance charges; provided, however, that the minimum yearly debt service charge to any premises shall be \$300.00.

C. Tap Charges

There shall be paid on behalf of each single-family residential premises tapping directly or indirectly into any of the sewer lines comprising the System, in cash, at the time of application for the tap permit, a charge for the privilege of using the facilities and receiving the service of the System, in the amount of One Hundred (\$100.00) Dollars plus Ten (\$10.00) Dollars for the cost of making and inspecting the tap. Premises other than single-family residences shall pay tap charges in the amount specified above, multiplied by the factors provided for in conjunction with sewer operation and maintenance charges; provided, however, that the minimum tap charge shall be \$100.00 plus the above stated costs.

D. Special Rates

For miscellaneous or special services for which a special rate shall be established, such rates shall be fixed by the Township.

E. Billing

Bills will be rendered monthly and shall be payable within fifteen (15) days of the due date thereon, and a penalty of ten per cent (10%) of the amount of the bill shall be charged for late payment.

F. Enforcement

The charges for services which are under the provisions of Section 21, Act 94, Public Acts of Michigan, 1933, as amended, made a lien on all premises served thereby, unless notice is given that a tenant is responsible, are hereby recognized to constitute such lien, and whenever any such charge against any piece of property shall be delinquent for six (6) months, the Township official or officials in charge of the collection

thereof shall certify annually, on October 1st of each year, to the tax-assessing officer of the Township the facts of such delinquency, whereupon such charge shall be by him entered upon the next tax roll as a charge against such premises and shall be collected and the lien thereof enforced in the same manner as general Township taxes against such premises are collected and the lien thereof enforced; provided, however, where notice is given that a tenant is responsible for such charges and services as provided by said Section 21, no further service shall be rendered such premises until a cash deposit in the amount of Three Hundred (\$300.00) Dollars shall have been made as security for payment of such charges and service.

In addition to the foregoing, the Township shall have the right to shut off sewer service to any premises for which charges for sewer service are more than three (3) months delinquent; and such service shall not be re-established until all delinquent charges and penalties and a turn-on charge, to be specified by the Township, have been paid. Further, such charges and penalties may be recovered by the Township by court action.

SECTION 5. No Free Service

No free service shall be furnished by said System to any person, firm or corporation, public or private, or to any public agency or instrumentality.

SECTION 6. Required Connection to System

The System being necessary for the public health of the Township, all premises to which services of the System shall be available shall connect to the System within ninety (90) days after mailing of a notice to such premises by appropriate officials in charge of the System indicating that such services are available, and billings to such premises shall commence upon connection to the System or the expiration of such ninety (90) day period, whichever shall first occur. The services of the System shall be available to a premise within the meaning of this Section 6, if a sanitary sewer of the System located in a right-of-way, easement, highway, street or public way which crosses, adjoins or abuts upon the premises, passes not more than 200 feet at the nearest point from a structure located on the premises from which sanitary sewage originates.

SECTION 7. Revision of Rates

The rates hereby fixed are estimated to be sufficient to provide for the payment of the expenses of administration and operation; such expenses for maintenance of the said System as are necessary to preserve the same in good repair and working order; to provide for the payment of the obligations of the Township pursuant to Special Assessment Roll No. 1 for the Rollin-Woodstock sanitary drain as the same become due; and to provide for such other expenditures and funds for said System as this ordinance may require. Such rates shall be fixed and revised from time to time as may be necessary to produce these amounts.

SECTION 8. Fiscal Year

This System shall be operated on the basis of a fiscal year corresponding with that of the Township.

SECTION 9. Allocation of Revenues

The revenues of the System shall be set aside as collected and deposited in a separate depository account in a federally insured financial institution, a bank duly qualified to do business in Michigan, in an account to be designated SANITARY DRAIN SYSTEM RECEIVING FUND (hereinafter, for brevity, referred to as the "Receiving Fund"), and said revenues so deposited shall be transferred from the Receiving Fund periodically, in the manner and at the times hereinafter specified.

A. Out of the revenues in the Receiving Fund, there shall be first set aside quarterly into a depository account, designated OPERATION AND MAINTENANCE FUND, a sum sufficient to provide for the payment of the next quarter's current expenses of administration and operations of the System and such current expenses for the maintenance thereof as may be necessary to preserve the same in good repair and working order.

B. There shall next be established and maintained a depository account, to be designated ASSESSMENT PAYMENT FUND, which shall be used solely for the payment of the Township obligations pursuant to the aforesaid Special Assessment Roll No. 1. There shall be deposited in said fund quarterly, after requirements of the Operation and Maintenance Fund have been met, such sums as shall be necessary to pay said contractual obligations when due. Should the revenues of the System prove insufficient for this purpose, such revenues may be supplemented by any other funds of the Township legally available for such purpose.

C. There shall next be established and maintained a depository account designated REPLACEMENT FUND, which shall be used solely for the purpose of making major repairs and replacements to the System if needed. There shall be set aside into said fund, after provision has been made for the Operation and Maintenance Fund and the Assessment Payment Fund, such revenues as the Township shall deem necessary for this purpose.

D. There shall next be established and maintained an Improvement Fund for the purpose of making improvements, extensions and enlargements to the System. There shall be deposited in said fund, after providing for the foregoing fund, such revenues as the Township shall determine.

E. Monies remaining in the Receiving Fund at the end of any operating year, after full satisfaction of the requirements of the foregoing funds, may, at the option of the Township, be transferred to the Improvement Fund or used in the connection with any other project of the Township reasonably related to the purposes of the System.

F. All monies belonging to any of the foregoing funds or accounts may be kept in one bank account, in which event the monies shall be allocated on the books and records of the Township within this single bank account, in the manner set forth above.

G. In the event the monies in the Receiving Fund are insufficient to provide for the current requirements of the Operation and Maintenance Fund, any monies and/or securities in other funds of the System, except sums in the Assessment Payment Fund derived from tax levies, shall be transferred

to the Operation and Maintenance Fund to the extent of any deficit therein.

H. Monies in any fund or account established by the provisions of this ordinance may be invested in obligations of the United States of America, in the manner and subject to the limitations provided in Act 94, Public Acts of Michigan, 1933, as amended. In the event such investments are made, the securities representing the same shall be kept on deposit with the bank or trust company having on deposit the fund or funds from which such purchase was made. Income received from such investments shall be credited to the fund from which said investments were made.

SECTION 10. Annual Statements and Audits

The Township Board shall cause to be maintained and kept proper books of record and account in which shall be made full and correct entries of all transactions relating to the System. Not less than two (2) months after the close of each fiscal year, the Township Board shall cause to be prepared a statement, in reasonable detail, showing the cash income and disbursements of the System at the beginning and close of the fiscal year, and such other information as may be necessary to enable any taxpayer of the Township, user or beneficiary of the services furnished, to be fully informed as to all matters pertaining to the fiscal operation of the System during such year. Such annual statement shall be filed in the office of the Township Clerk, where it will be open to public inspection. Such books of record and account shall be audited annually by a certified public accountant, to be designated by the Township Board, and a certified copy of such audit shall be filed with the Township Clerk.

SECTION 11. Connection Permits

No connection shall be made or permitted to be made to any of the sewers of the System without obtaining a permit therefor. Application for such permit shall be made and filed with the Lenawee County Drain Commissioner. No connection shall be made or permitted to be made to any of the sanitary sewers of the System which will in any way cause storm water or surface drainage to be carried into said sanitary sewers.

SECTION 12. Savings Clause

If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 13. Conflicting Provisions

All ordinances, resolutions, or orders, or parts thereof, in conflict with the provisions of this ordinance are, to the extent of such conflict, hereby repealed.

SECTION 14. Publication and Authentication

This ordinance shall be published once, in full, in the Adrian Daily Telegram, a newspaper of general circulation within the boundaries of the Township of Rollin and qualified under the state law to publish legal notices, within two (2) weeks after its adoption, and the same shall be

recorded in the Ordinance Book of the Township and such recording authenticated by the signatures of the Supervisor and Township Clerk.

SECTION 15. Effective Date

This ordinance shall become effective immediately upon its adoption.

ORDINANCE DECLARED ADOPTED.

ORDINANCE NO. 3

AN ORDINANCE TO AMEND SECTIONS 2, 4, 4(A), 4(B), 4(C), 4(D) OF ORDINANCE NO. 3 OF THE TOWNSHIP OF ROLLIN TO PROVIDE FOR REVISED OPERATION AND MAINTENANCE CHARGES AND DEBT SERVICE CHARGES IN CONNECTION WITH THE PORTION OF THE ROLLIN-WOODSTOCK SANITARY DRAIN CONSTRUCTED FOR THE BENEFIT OF THE TOWNSHIP OF ROLLIN.

THE TOWNSHIP OF ROLLIN ORDAINS:

SECTION 1. AMENDMENT. Section 2 of Ordinance No. 3 shall be amended to read as follows:

Section 2. Definitions

- a) The term "the System" shall mean all of those portions of the complete Rollin-Woodstock Sanitary drain constructed for the benefit of the Township of Rollin, including all sewers, pumps, lift stations, treatment facilities and all other facilities used or verified in the collection, treatment and disposal of domestic, commercial or industrial waste, including all appurtenances thereto and including all extensions and improvements thereto which may hereafter be required.
- b) The terms "revenues" and "net revenues" shall have the meaning as defined in Section 3, Act 94 of 1933, as amended.
- c) The term "premises" shall mean the lands included within the boundaries of a single description as set forth, from time to time, on the general tax rolls of Rollin Township as a single, taxable item in the name of the taxpayer or taxpayers at one address, but in the case of platted lots shall be limited to a single platted lot unless an existing structure is so located on more than one lot as to make the same a single description for purposes of assessment or conveyance, now or hereafter.
- d) The term "debt service charge" shall mean that part of the charge for sewage disposal services which is used to cover capital indebtedness.
- e) The term "operation and maintenance charges" shall mean the amount charged to each premises for sewage disposal services and represents the proportionate cost allocable to the user, for operation and maintenance and replacement.
- f) The term "sewage disposal services" shall mean the collection, transportation, treatment, disposal of sanitary sewage originating now or hereafter in a structure, and shall, where appropriate, include the maintenance of all facilities of the System.
- g) The term "structure" shall mean a building in which toilet, kitchen, laundry, bathing, or other facilities that generate water-carried sanitary sewage are used or are available for use for household, commercial, industrial, or other purposes.
- h) The term "Residential Equivalent Unit" or "Residential Equivalent Units" shall be related to the quantity of sanitary sewage ordinarily arising from the occupancy of a structure by a single family of ordinary size and the benefit derived therefrom

and shall be defined or determined from time to time by the Rollin Township Board after consultation with the consulting engineers for the Township and the County of Lenawee. Said determination of Residential Equivalent Units shall be based upon the studies made relative to the quantity of sewage generated by and the benefit derived from different types of use and occupancy of premises and shall be kept up to date and revised as needed as new studies are made and through experience gained by Rollin Township and Lenawee county in actual operation.

SECTION 2. AMENDMENT. A new section 4 of Ordinance No. 3 shall be added, amending the ordinance to read as follows:

Section 4. Residential Equivalent Units Assigned to Premises

The number of Residential Equivalent Units to be assigned to any particular premises shall be as set forth in Appendix A, as the same may be revised from time to time by the Rollin Township Board following consultations with the consulting engineer. The Rollin Township Board, if the circumstances justify, may assign more than one Residential Equivalent Unit to a single family dwelling. No less than one Residential Equivalent Unit shall be assigned to each premises or each tap into the system for each premises, whichever is greater.

Once any premises has been connected to the System and has been assigned one or more Residential Equivalent Units, subsequent changes in the character of the use or type of occupancy of said premises (including destruction, removal, or abandonment of any or all improvements thereon) shall not abate the obligation to continue the payment of all charges to said premises for the amount hereinabove provided for the number of Residential Equivalent Units assigned to said premises at the time of connection. If subsequent changes at any time increase the amount of sanitary sewage emanating from the premises, the Rollin Township Board shall increase the number of Residential Equivalent Units assigned to said premises and shall be payable in cash at the time of construction or other permit is issued by Rollin Township for such changes in use or at the time such change in use occurs if no permit is issued or required.

SECTION 3. AMENDMENT. Section 4(A), 4(B), 4(C), and 4(D) of Ordinance No. 3 shall be redesignated and amended to read as follows:

Section 5. Rates

A. Operation and Maintenance Charges

Sewer operation and maintenance charges to each premises within the Township of Rollin connected with the System shall be Sixteen (\$16.00) Dollars per Residential Equivalent Unit per month and may be amended from time to time

by resolution of the Rollin Township's Board to reflect changes in the actual cost of operation, maintaining, and administering the System, or to permit Rollin Township to comply with any obligation, limitations, or conditions contained in any agreement between Rollin Township and an entity pertaining to the operation, maintenance, and administration of the System; provided that the per Residential Equivalent Unit rate of the operation and maintenance charges shall not be changed or amended so as to conflict with or impair any obligation of limitation upon Rollin Township under any agreement pertaining to the operation, maintenance, and administration thereof.

B. Debt Service Charge

Sewer debt service charges to each premises within the Township of Rollin connected with the System shall be Sixteen and 50/100 (\$16.50) Dollars per Residential Equivalent Unit per month which may be amended from time to time by resolution of the Rollin Township Board to reflect changes in the actual debt service.

C. Tap Charges

There shall be paid on behalf of each premises tapping directly or indirectly into any of the sewer lines comprising the system, in cash, at the time of application for the tap permit, a charge for the privilege of using the facilities and receiving the service of the system in the amount of Two Thousand Seven Hundred (\$2,700.00) Dollars per tap per premises. Beginning January 1, 2003, the charge for each tap-in shall be increased by the amount of Two Hundred (\$200.00) Dollars so that the total tap-in charge for the calendar year 2003 shall be Two Thousand Nine Hundred (\$2,900.00) Dollars per tap per premises; and thereafter, on the first day of each following year, the tap-in charge shall be increased annually in increments of Two Hundred (\$200.00) Dollars per tap per premises. The annual Two Hundred (\$200.00) Dollars incremental increases in the tap-in charge shall continue until such time as the bond debt for the system, including interest, has been paid in full.

D. Special Rates

Under no circumstances shall a special rate be given to any particular user(s) of the System which deviates from the charges specified above unless said rate is applied uniformly for all similarly classified users.

SECTION 4. AMENDMENT. Ordinance No. 3 is amended to add Appendix A, which shall read as follows:
